

# PERTHES BRIEF

November 2018

Here's the latest news from Perthes Kids Foundation...

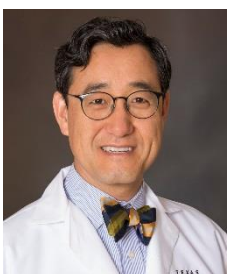

- Our 3rd Annual **CAMP PERTHES AUSTRALIA** ended on October 5th. It was another amazing week with fabulous kids, volunteers, and friends! We are looking forward to making an even bigger & better camp in 2019! Stay tuned for details for next year's camps, including our very first **CAMP PERTHES SPAIN!**

- The **International Perthes Study Group** held their annual conference at Texas Scottish Rite in Dallas this October. Earl Cole was invited to be a guest speaker and had the opportunity to share the mission and works of Perthes Kids Foundation. Did you catch the first episode of *Joined at the Hip* with Earl Cole & Dr. Harry Kim? It was streamed worldwide on Facebook live. New episodes are coming soon!

- Thank you to all the kids (& families!) that sent in their photos to add to the **Perthes Kids Halloween Costume Showcase** ([www.pertheskids.org/gallery](http://www.pertheskids.org/gallery)). We have so many creative- and a little spooky- kids! We hope your Halloween was filled with more treats than tricks!
- As we are now at the beginning of the holiday season, some of you might be starting your holiday shopping. Don't forget, if you shop on Amazon, Amazon Smile will give 0.5% of your purchases to Perthes Kids Foundation. Learn more at <https://smile.amazon.com>.
- Did you know that Perthes Kids Foundation is in the running to win a \$50,000.00 award? Eagle Rare Kentucky Straight Bourbon Whiskey will grant one winner this amazing prize. You can help by voting every day from now through December 1<sup>st</sup> (you can vote on all your devices!). Please visit <https://eaglerarelife.com/stories/earl-cole> and help push Earl's story to the top!

- Meet the Doctor: Each month we will feature a different member of the International Perthes Study Group. For November, we would like you to meet **Dr. Harry Kim**. Dr. Kim is the director of research at Scottish Rite Hospital. He also serves as the director of the Center for Excellence in Hip. Read more about Dr. Kim and his work with IPSG here (<http://perthesdisease.org/wp-content/uploads/2018/03/Harry-Kim-MD.-MS.-FRCSC.pdf>).
